Episode 5 of *4-H Teen Talk Podcast* Talks College & Career Options

If you are a junior or senior in high school, graduation is quickly approaching. Then what? In this episode, Orange County 4-H staff Jonathon and Sarah discuss 8 tips to help you make those important career and college decisions. They then sit down with representatives from the NC State University Agricultural Institute and the Hillsborough/Orange County Chamber of Commerce to explore other options available to teens in addition to the traditional four-year college pathway.

North Carolina Cooperative Extension is an equal opportunity provider
Accommodation requests related to a disability should be made by December 4th to Jonathon Smith at jonathon_smith@ncsu.edu or 919-245-2057

Orange County Provides Virtual "Farm to Table" Platform for 4th Grade Youth

Orange County and Person County have partnered to create an interactive, virtual Farm to Table program for 4th grade students. This work at your own pace virtual program includes topics ranging from agricultural history to dairy. Each content tab comes with a 5-10 minute video, worksheets or other activities such as Kahoots, recipes/nutritional information if applicable, and a quiz that can be copied and administered to check for comprehension. We have done our best to capture footage of local farms and businesses in Orange County to help students see the connections between where they live and the agriculture around them.

Farm To Table is aligned with **4th Grade Essential Standards 4.G.1 and 4.L.2** though you may find that this program supplements other learning objectives.

Public schools have been provided a link to this website already but we would like to extend this program to homeschool students as well. If you would like more information and a link to the website, have a parent contract Jonathon Smith at jonathon_smith@ncsu.edu.

NC State University and N.C. A&T State University work in tandem, along with federal, state and local governments, to form a strategic partnership called N.C. Cooperative Extension.

Extension's 4-H program is the largest youth development organization in North Carolina. We help over 247,000 young people grow into active, contributing citizens each year.
